The highly anticipated 3rd generation FUSION X Goalkeeping Glove range from Precision is now available for 2024 onwards. Designed and tested by Professional Goalkeepers to not only look great but also to withstand the intensity and vigor of daily training and all-important match days. Massively popular traditional structured gloves but with added modern specifications and technology. From professional to grassroots, the FUSION X range caters for all abilities, ages and budgets.

New negative specially designed to provide total comfort, whilst increasing your grip and feel for the ball. The stitching is inside the glove, leading to a much tighter and snug fit. Good in both wet and dry conditions with extreme gripping properties. Half latex, half fabric backhand provides the comfort and stability of a traditional full latex backhand glove, but with the comfort and manoeuvrability of a modern lightweight backhand glove.

PRG148 PRECISION FUSION X PRO SURROUND QUARTZ GK GLOVES
