HISTORY

1916

THE ORIGINS

Thanks to the machinery for cotton weaving, given by customers as a sort of debt repayment, the company named « Calzificio Torinese » started the production of socks.

1956

AN ERROR CREATES THE BRAND

Customers return a stock of socks due to a manufacturing error. Intending to guarantee the product new credibility, the Vitale family label the new production with the monogram « K-Kontrol », to indicate the maximum qualitative rigour according to german standards.

1969

THE WINNING LOGO

During a photo shoot for a Beatrix swimsuit catalogue, in a backlighting shot of a silhouette of a boy and girl sitting back to back, Maurizio Vitale spots the image destined to become robe di kappa's crisp, neat logo.

1979

SPORT SPONSORSHIP

A strategy that takes Maglificio's expansion towards international targets. Maurizio Vitale is the first in Italy to sponsor a football team, fully aware of the importance this sport has for the masses.

1984

THE LOS ANGELES OLYMPICS

During the Los Angeles Olympics, technology and design triumph. The Official suits are designed with the advice of a man from Nasa, doctor Kuznetz, who, inspired by space suits, designs the suits in silver to reflect light and to keep the athlete's body cooler.

1999

AN OLD DREAM IS REALISED

15th january 1999, Basicnet wins the contest for the technical sponsorship of the FIGC - The italian Football Federation. Kappa signs a four-year contract to supply the national team with its own technical material. From this partnership will be born the first jersey moulding in football with its technology Kombat™.

2024

TODAY

The brand is recognised as one of the leading sports kit supplier in the teamsport market. The brand is main partner of top teams in the European market in football, rugby, basketball, skiing and also in the field of motorsport for a few years.

The prices indicated in this catalog are the maximum recommended prices in Euros at the time of printing. Orders for the products shown in this catalog are possible for a period of one year from May 2024. If a reference is no longer available from the supplier, we will try to offer you a similar product. Given the significant fluctuations in transport costs and the raw material prices on the international markets, the prices indicated in this catalog are for information purposes only and are subject to re-evaluation in fiscal years 2024 and 2025.
