

NUENO MATCH BALL

Available in
Size 4 & 5

The Precision Nueno Match Ball has continued its rigorous testing in line with FIFA standards to retain its respective FIFA Quality PRO rating. This includes circumference, sphericity, rebound properties within different weather environments, weight, pressure loss and water absorption. So, whether it's a friendly match or the Premiere League finals, you can rely on the Precision match ball range to suit your game and keep you moving.

NUENO MATCH BALL

ROTARIO MATCH BALL

Available in
Sizes 3, 4 & 5

The Rotario has continued its rigorous testing in line with FIFA standards to retain it's respective FIFA Quality rating. Circumference to check to ball is the perfect size. Sphericity to check the ball is perfectly round. Rebound properties at different temperatures so the ball remains optimum in any environment. Ball weight between tight parameters. Loss of pressure so the ball loses very little air over a long period of time. Water absorption so the ball remains playable even in the wettest conditions. Friendly match or competitive finals, you can rely on the Precision match ball range to suit your game and keep you moving.
