

**FINDEN +HALES**

**2026 BROCHURE**

# Team spirit. Intensified.

Finden + Hales brings performance, style, and unity together with versatile teamwear, schoolwear, and workwear designed for every moment—on and off the field.

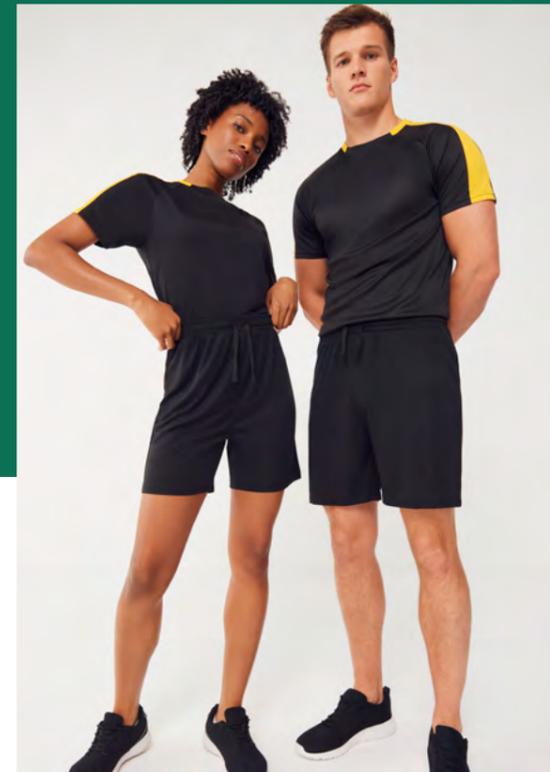

For 2026, the brand expands its trusted trackwear range with the introduction of a new Burgundy colourway and four fresh styles as lightweight team options that fit seamlessly within existing colour stories.

Built on reliable fits, technical fabrics and bold, confident design, the collection delivers comfort, impact, and everyday versatility for teams and workplaces alike, made for the moments that matter.

Please note that for kids' sizing height is a better indication of fit than age.

Colours on this chart are intended to give an indication only. As printing will cause colour variance, chips may not be totally representative of actual shades.

Fabric using a specially engineered yarn creating a permanent wicking function. Absorbs moisture from the skin and transports it to the fabric's surface, where it evaporates to keep the wearer cool and comfortable.

WICKING

Absorbs moisture from the skin and transfers it to the fabric surface where it evaporates. Keeping the wearer cool and comfortable.

BREATHABLE

The fabric construction allows for breathability of the body to avoid excess temperature whilst being worn.

NON-TRANSPARENT

Fabric is constructed to avoid any shine through of undergarments whilst being stretched.

For industrial workforces, the garment can be washed at up to 60° degrees for a professional wear each time. We recommend washing at 30° for low impact use to help the environment.

STRETCH

Elastane content that gives stretch for improved comfort and fit.

WATER RESISTANT

Fabric is woven or coated as to prevent water penetration.

EMBROIDERY ACCESS

Garment is designed with a purpose built access into the lining for ease of embroidery.
